MARINE SERVICES

ABOUT US

To satisfy the rising demand for marine safety equipment and the professional services in the region, Universal Link Marine Services was recently founded as a trading firm in Kingdom of Saudi Arabia by a team of specialists with a combined 10 years of expertise in the field. Our company provides a variety of services including firefighting, rescue operations, and site management in addition to trading in marine safety equipment. Engineering, Control & Instrumentation, Navigation Systems, Diving Services, Marine Safety Equipment, and Inspection Services are just few of the areas in which we offer design, service, sales, trading, supply, repair, maintenance, and upgrade services.

The Offshore, Marine, Power, Utilities, Petrochemical, Storage, and Processing Industries are just a few of the many that we serve. Maintaining a disciplined and well-trained multi-national team consisting of Manufacturer-trained Engineers and Technicians allows us to fulfil our mission of providing world-class service to our customers

MISSION

To meet the growing demand for marine safety equipment and related services in the region by providing professional services in trading of such equipment with the assistance of a highly skilled multinational work force.

VISION

To become a world class service and trading provider of marine safety Equipment

OUR PRODUCTS

We provide electronic, telecommunications, safety, and electrical equipment for ship-ship, ship-to-shore, and shore-to-shore communications. A trusted source for marine safety equipment for vessels of all sizes, from inflatables to cargo ships, Universal Links Trading is at the forefront of the industry.

- LIFE JACKETS
- IMMERSION SUITS
- WORK SUITS
- RAIN SUITS
- LIFE JACKETS LIGHTS
- LIFE BUOY LIGHTS
- FENDERS
- MARKING LIGHTS
- STROBE LIGHTS
- EPIRBs
- RADAR SPARES
- GYROCOMPASS

- SARTS
- GMDSS PRODUCTS
- RADIOS UHF VHF
- JASON'S CRADLE
- HRU FOR LIFE RAFT
- HRU FOR LIFE JACKET
- FIRE FIGHTING SUITS
- AIS
- FIRE EXTINGUISHER
- GPS
- ECHOSOUNDER

MARINE SAFETY

Marine safety equipment, often known as marine lifesaving equipment, is crucial for all types of boats, including passenger ships, cargo ships, offshore platforms, and even yachts.

MARINE ELECTRONICS

Marine electronics equipment is essential for uninterrupted electricity supply in boats and ships. Universal links trading is selecting and supplying standard Marine electrical equipment by its experienced engineers and work force.

1 Limit switch

2 A heavy hammer

3 Load sensor:SHL

4 Length Angle sensor:WTC/J

5 Data control box

6 Display

Style No.	A700
Display	8inch LCD
Operating temperature	-20°C ~ 70°C
Operating humidity	95% (25°C)
Signal input	≤6 channels
Control output	≤6 channels
System composition error	≤5%(F.S)
Power consumption	<30W
Alarm volume	>60db
IP grade	IP 65
Power supply	AC220V/DC24V

CALIBRATION AND CERTIFICATION

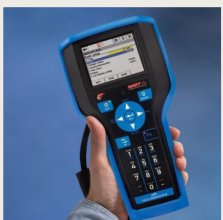

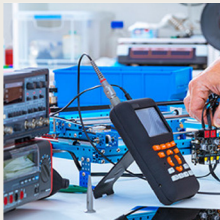

- Fixed Gas System
- Portable Gas Detector (Single & Multi)
- Fire Alarm System
- Oily Water Separator
- Pressure Gauge
- Pressure Relief Valve
- Water Mist System
- Sprinkler System
- Deluge System
- Panel Meters
- PPE Kit
- Multi Meter
- Clamp Meter
- Insulation Tester
- Helideck Monitoring System
- Temperature Sensor
- Barometer
- Hygrometer
- Weighing Scale
- PAT Certification
- Wind Anemometer
- Portable Anemometer
- Crane LMI
- Noise Survey
- Light Survey
- Air Quality Every 3 Month Certification
- Cascade System Inspection
- Flow Meter
- Torque Wrench
- Safety Gloves
- Safety Boots
- Safety Hooks
- Safety Mat
- Coverall & Helmet
- Alcohol Tester

DIMENSIONAL CALIBRATION

- Coating Thickness Gauge
- Dial Micrometer
- Micrometer
- Outside Micrometer
- Protractor
- Steel Ruler
- Steel Tape Measure
- Testex Dial Gauge
- Ultrasonic Thickness Gauge
- Universal Bevel Protractor
- Vernier Caliper
- Vernier Caliper digital
- Vernier Height Gauge
- Deluxe Combination Square
- Profile Gauge
- Feeler Gauge
- Master Gauge
- Measuring Tape
- Right Angle
- Thread Plug Gauge
- Auto Level Station
- Automatic Dumpy Level
- Automatic Level
- Digital Theodolite
- Spirit Level Stop Watch
- Wet Film Thickness Gauge

ELECTRICAL CALIBRATION

- AC volt-Ohm-ammeter
- Electric Welding Machine
- Hi pot Tester
- Loop Calibrator
- Megh Ohm Meter
- Mini DC Circuit Meter
- Power Quality Clamp Meter
- Primary Current injection System
- Relay Test Set
- Relay Test System
- Sound Level Meter
- Transformer Ratio Meter
- 3 Phase Sequence Tester
- High Voltage Detector
- RCCB Digital Tester
- AC/DC Clamp meter
- Contact Resistance Tester
- Digital clamp meter
- Digital Earth Tester
- High Voltage Insulation Tester
- Diesel Welding Machine
- High Voltage Test Set
- Insulation Continuity Tester
- Insulation multi meter
- Insulation Resistance Tester
- Pinhole Detector
- Volt / mA Calibrator
- Automatic Wedge Welding Machine
- Current Transformer
- DC Power Supply
- Decade Resistance Box
- Digital Light Meter
- AC/DC Power Supply
- Circuit Breaker
- Digital Multi meter

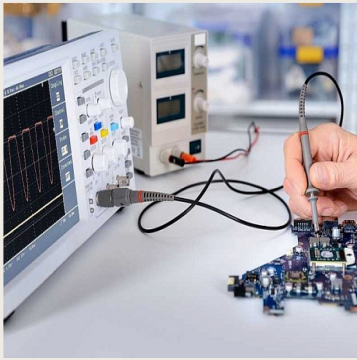

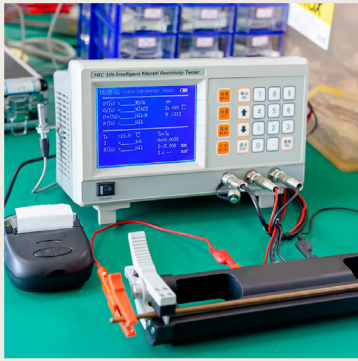

PRESSURE CALIBRATION

- Needle Pressure gauge
- Pressure Gauge
- Pressure Recorder
- Pressure Transmitter
- Vacuum Gauge
- Acetylene Regulator
- Co2 Regulator
- Documenting Process Calibrator
- Field Communicator
- Inert Gas Regulator
- Oxygen Analyzer
- Oxygen Regulator
- Precision Calibrator
- Pressure Module
- Flow Meter
- Gas Detector
- Pressure Relief Valve
- Safety Relief Valve

MECHANICAL CALIBRATION

- AC Magnetic Yoke
- Analog Top Loading Balance
- Compression Testing Machine
- Charpy Impact Testing Machine
- Digital Top Loading Balance
- Digital Tachometer
- Hardness Testing Machine
- Precision Top Loading balance
- Platform Weighing Machine
- Torque wrench
- Break Analyzer
- Load Cell
- Pocketable Vibration Meter
- Extensometer
